

Application No.: 10/587,987
Filing Date: December 2, 2008

REMARKS

The specification has been amended, as indicated above, to include SEQ ID NOs and to reference the sequence listing, submitted herewith. Claim 139 has been amended to include SEQ ID NOs. The amendment is supported by the specification and claims as originally filed. No new matter has been added.

Should the Examiner have any questions with respect to this document or the application in general, the Examiner is invited to contact the undersigned attorney.

No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicants are not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicants reserve the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicants have made any disclaimers or disavowals of any subject matter supported by the present application.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
